

**IN THE DRAWINGS:**

Submitted herewith are replacement sheets for Figs. 1 and 2 incorporating revisions to conform Fig. 1 to the revised specification and to overcome the drawing objection with respect to Fig. 2. More specifically, Fig. 1 has been revised to designate with reference numerals the interior space 3b, exterior surface 3c, side wall 3d, bottom wall 3e, entry surface A, and entry surface B of the imaging container 3. In Fig. 2, "cc" has been changed to "cm<sup>3</sup>."
